

## What You'll Learn:

- How to research facts with ChatGPT
- Why you need GPT 4 vs 3.5 for research
- Using a ChatGPT plugin to read webpages and PDFs for research
- Using Bing AI for research
- How to use a ChatGPT Chrome Extension to read Youtube videos

## Actions Steps:

- Select a post topic/keyword and start researching with these methods
- Try to use test each type of research - checking a webpage, checking a PDF, searching a forum, and searching on Youtube
- Put all your details into a document so you have them in one place to be ready for the next lesson
