

ADOBE® PREMIERE PRO® CC VIDEO EDITING: THE COMPLETE GUIDE

Included in the bonus materials for this course are project files. These files will allow you to follow along - use the same media our instructor is using and create sample clips.

Downloads are listed by lesson title and can be downloaded individually.

****Bonus footage is for use only related to the purpose of Adobe® Premiere Pro® CC Video Editing: The Complete Guide. You may not repurpose, redistribute or resell in any way.**
