JUST Recently ADDED:

Lecture 230: This Place You Can Sell Your Apps - Earners Making Up To \$20K Per Month!!! Now that's a Nice Passive Income!

Lecture 231: The Latest Countries You Should Be Doing Your Soft Launches In To Save Money!

Lecture 232: Top Three Voted App Store Optimization Companies Comparison Chart – Updated

Lecture 234: Android App Promotion Tips That Will Increase Your Downloads!

Lecture 235: This New Secret Network Is Much Cheaper Than Facebook To Promote Your Android Apps! This one Lecture could be your winning Golden Ticket to Success!!! Experts love to think outside the box, since Facebook is so popular. They told me about this place to score BIG Android App Downloads!!! You will be Amazed & Very Happy about this Lecture:)

Lecture 236: Expand Your Android Reach By Understanding Amazon Underground

94% of App Revenue Is Generated From Just 1% of the Publishers. The importance of ASO also known as App Store Optimization, retention, and monetization for smaller publishers is so Very Important. If you are just starting out as an app developer or you have been doing this for a few years never tasting success. Then this course is Paramount and going to keep you afloat during the tough times ahead. 99% of app developers are flying blind into a Monster Wall, Not realizing just How Difficult it Really is to make Money even if you feel you have a Great app!

*Don't Be Scared Off By All The Lectures. Pick And Choose What's Right For Your Situation And Budget At The Time! The Lectures Are Made Very Short And To The Point, So You Won't Be Wasting Your Time.

*Students Can Post And Get Free Reviews For Their App, As Well As Free Beta Testing. Our Community Is Always Growing And Looking To Help Each Other Out. Just Ask :)
This course I've specifically designed for the Beginner all the way up to Advanced App Developer who needs to Learn Exactly how to Successfully Market, Promote and Monetize your Mobile apps, so that you can actually make a living doing what you enjoy the most, coding! More Importantly, I'll Teach you How to Dominate your Competition!

This course is constantly being updated with the Latest and Best Expert Strategies to make you even More Money, Period! The course consists of 233 Lectures with New lectures coming Every Month. You will Learn about what the Experts and Big Companies use to maintain their Prominent standings, such as, what Services, Companies and Tools they use to achieve their Dominance in the App Marketing, App Promoting and App Monetization of their iOS and Android Apps.

It has taken me over 7 years to Study and Master the App Marketing, App Promoting and App Monetization Eco-System which is constantly changing. I've structured each lecture to be concise, to the point much like a Question and Answer format, so as Not to waste your time. Most lectures will be around 1 to 2 minutes long with some no longer than 3-12 minutes long. You should be able to finish this course inside of 4 weeks and become an App Marketing, App Promoting and App Monetization Expert. You should be more than capable of Doubling or even Tripling your downloads just by using a few Expert Strategies. Pick and choose what Strategies you want and see what happens? Simply add more Strategies and watch your Downloads Increase further.

One of my Favorite Lectures is where I teach you how to achieve over 125,000 downloads in a few days on a Zero Budget. Simply rinse and repeat this one over and over again!!!
You should take this course for several reasons, one being that you are actually getting Expert strategies from those that have already achieved over 100 million downloads collectively and these Tips are still working today. Plus, I keep this course Super Fresh, New and Updated throughout the year, so you can get in on the ground floor when an Expert Strategy hits and nobody knows about it. Also, Learn about the Latest Free traffic streams that can help you increase your Downloads Real Fast!

No Matter what your current advertising budget is I have Great Strategies for everyone from a zero budget, to small budget, to a medium budget and all the way up to a large budget!
Please give me the Privilege of teaching you how to become an App Marketing, App Promoting and App Monetization Master inside of a few weeks. I'll see you inside the Only Updated, Most Comprehensive, #1 Rated Top Rated course on App Marketing and App Promotion once you have gone through my First 48 Lectures for Free Here:)

Between Mr. Rob Percival's Great Course here and My Course. You are Truly Getting a Really Rare, Unfair, Awesome Advantage in Becoming a Very Successful App Developer Today! Where Only 1% of All App Developers Ever Get a Chance To Taste This Type Of Success!
At The End Of The 48 Free App~Promote~Ology Lectures, You'll Find A Huge Discount Link To The Rest Of My Course To Continue Your Education. I'll See You There:)

Testimonial - Awesome, One of my Best Course i purchased yet in Udemy. i got everything i required to learn about App Marketing. My App is releasing next month thus will give huge boost to my marketing campaign. Thank You - **FAzLUL RAHMAN**

Welcome to this Community! Thank you so much for enrolling in the first 48 Lectures of my Course! Its Great to have you on Board and you are very welcome in this Community of Students dedicated to Success and Learning! I'm excited that you have taken a positive step towards attaining one of your goals and I'm sure you are going to experience success once you have fully completed this Course. My Objective here is Your Success – It 's All about You! As a member of my Student Community, I want you to attain your goals and be Victorious. Don't dare put it off another day, because Only you Can do it, and you will be Triumphant. My objective here is very clear, it's Your Success and I'm

Wholeheartedly Dedicated to working with you to help you reach your objectives.

Don't Bother with Any Other App Marketing, Promoting or Monetizing Course Until you Read This! App~Promote~Ology also known as the study of App Promotion. First of all, I know how you feel... I too struggled as Part of an App Developing Team at one time and vowed to myself that I would find a Solution to this Epidemic of Massive number of Apps that were never being seen by the Masses and Disappearing into Oblivion. I Watched All My Hard Work, Time & Money Go up in smoke.
Hi There, I'm Marc Stock and I'll be your Instructor for this Exciting, Comprehensive course I developed over the last year. I am a game app designer, author, instructor, app market researcher and app market expert.

App~Promote~Ology has Found a New Home Online at Udemy!!!

If You Want a True Upper Hand At Increasing Your App's Downloads, Rankings & Revenue, No Matter What Budget You May Start Out With, Even a Zero Budget. Then Take This Course Right Now! Imagine what You are Going to Feel Like, When You See More Downloads Than Ever Before Start To Come In, or See Your App Ranking Increase Without Spending A Lot Of Money!
After Spending an Entire Year of Researching and Learning from the Top Experts in this field comes App~Promote~Ology, otherwise known as the Most Comprehensive "App Marketing, Promoting & Monetizing Your Way To Success Course Available Today."

I tried my very best to learn from all the Expert's including their Ninja Tips, Tricks and Strategies, so that You can Achieve the Same Wonderful Benefits! With my research training background, once I learned how the Experts were getting Millions of downloads. I spent hundreds of hours sifting through the internet to see if I could back up what my Experts were telling me in the first place, so if you see any Recommended readings for that lecture, that's the Proof right there!

I set out on a journey to simply find out what actually works for the average app developer to score Big and become a Success rather than fail and sink among thousands of other app developers every month who thought they could simply do a little ASO and hope for the very best! I've made this course My Life's Passion to Help You Obtain, Reach and Even Surpass your Dream Goal for all your apps you

create. Plus, give you the Biggest Impact to see you Succeed. You can simply try all the Many Expert strategies or pick and choose a few and see which works Best for you. Many of my Students tell me just trying 1 or 2 of my Expert Strategies helped pay for the course in the first couple of days which makes me so Very Happy!

- Always Remember that Every Great Journey Begins with One Footstep!
- This Course Will Definitely Help You Make More Money!!!
- What I Set Out To Do Here Is To Create A Course That Truly Makes A Big Difference And Even A Bigger Impact in Your Life!

A Few Things What I Feel Separates My Course From Any Other Similar Courses Out There Are:

- 1.) You get a teacher who actually cares to see You Succeed! Nothing Gives Me More Pleasure Than Seeing My Students Succeed In What They Enjoy Doing!
- 2.) I Respond to any and all of Your questions in our Discussion Forum of this course!
- 3.) This course has taken me over 1 year to create and Keep It Fresh and Updated which Turns out to Be a Full Time Job, but I enjoy giving you the Latest Expert Strategies!
- 4.) This course will Always Stay Up to Date with the Freshest and Latest Working Strategies to Make You More Downloads and Hence Generate More Revenue!
- 5.) Everything is explained in layman's terms, so it's quite Easy to Follow and Learn Fast!
- 6.) By Taking this course Today, You Will Receive More iOS & Android App Downloads, Generate More Revenue and Experience Greater Brand Awareness And Success Than Ever Before!
- 7.) The Best Part is that you get to Learn from the Top Experts in the Field of App Promoting, Marketing & Monetizing. You Get All Their Latest Working Strategies & Tips That Secured Them Millions Of Downloads and to Avoid Yourself Very Costly Mistakes!

JUST SOME HIGHLIGHTS:

- Today, producing an income from your mobile game or app with advertising is getting so increasingly difficult. The simple days of just using a single mobile ad network's SDK are gone for good.
- I always set out to create courses that can change my student's lives for the Better or else what's the sense of teaching a course, right?

I also wanted to design a course much like a Blueprint that anybody could follow with Ease and that would Always take failure out of the app developer's Equation and make each one of You have a Successful experience and this course has done just that as my students have told me! I truly Believe this is one of those courses that's going to make your life Better, Richer and More Importantly Obtain Greater Success in Marketing, Promoting and Monetizing any app You ever create Faster, and Easier!!! This Course is designed For those who Need All the Important, Newest & Freshest Strategies Right Now that are Clearly working for the Experts. I've developed the Most Up to Date, Comprehensive and Definitive How to Market, Promote and Monetize your apps that exists today for Both Android and iOS!

I've listed and linked every online company, service and the online tools that All the Experts raved to me about and are using today to get the upper hand and score Big downloads and Revenue for all their apps. I have left No Stone unturned here. You get all the Expert insider Knowledge that would take you literally years to learn, some sifting through the internet and then test, even if you had the right connections!

In The meantime, You would probably Lose Hundreds if not Thousands of dollars invested through trial and error, and fail right out the gate watching all your hard work and money just fade away, But Not Here!

Testimonial - "1 NINJA TIP SCORED ME OVER 125,000 DOWNLOADS IN FEW DAYS FOR FREE! THIS COURSE JUST PAID FOR ITSELF OVERNIGHT! THANKS MARC" -**Chad Dennings**

Building a great app is always step number one. Then step two is getting users through various forms of promotion and step three is to monetize and engage those users. This course will show you how to do Steps two and three Successfully. So, Take a deep breath and ask yourself how do I go about accomplishing this Mighty feat? Well, that's where I come in. I will break down All the Data, Analyze it and Explain to you in layman's terms so you don't have to waste your Valuable time, and show you what's really working on each of the app platforms based on the Current Top Grossing App Developer's data.

Remember, Analytics is a tool for doing things Better and App Analytics are the answer, but which tools Reign Supreme according to the Current Top Grossing App Developers? I'll tell you what they use, so you can taste Success too inside this course! This course I created will far Exceed your Expectations, so get ready to Increase your Skillset to the Next Level.

Testimonial - "Outstanding Course... Thanks to you Marc and this course you created has Inspired me so much, I'm Crushing it now with my Downloads & Revenue!!!! I'm Super Excited to see what you come out with Next!" - **Tom Swift**

It's one of the Best feelings to ever experience. I'm talking about creating an app that many, many users enjoy using or playing and that you can make serious Revenue from. It brings me Great Satisfaction making that come true for You my student! Every app developer should experience this at least once in their lifetime, but sadly many will not. Why? because they don't really know how to market or promote or even monetize their pride and joy! Every couple of months, this wild app Ecosystem changes and if you're not riding ahead of this wave of Success to the shore. Then you are not going to see the Full potential of riches your app surely deserves!

Testimonial - " Marc is a True Genius when it comes to marketing, promoting and monetizing apps and being able to teach others with a Passion that is seldom ever seen. My success is simply because I listened to Marc and took this course. My App's Downloads and Revenue have Tripled thus far and I'm on a very tight budget, so I can Highly Recommend Marc's course here right now. Plus, Marc has Saved me quite a lot of money probably a couple thousand dollars in little over a month or two from mistakes I would have made if I didn't take his course! Without letting the cat out of the bag so to speak. Your How To Make up to \$10,000+/Month Program is Working Out Great. I already paid off the cost of this course with my first sale and made a Few Thousand in the process to Help Promote My Apps with like only 10 minutes of actual work everyday!!!!" - **Mark Landers**

Learn to Boost your Income and Successfully Learn How to Promote and Market your iOS or Android App around the World. Looking to make a Big Impact in the app marketing world? If you Truly want to learn how to Promote and get the Big "Buzz" out to the world about your app, so it gets Downloaded and Climbs the app store Rankings as fast as Possible. Then you will love this course and keep it always as it grows with Newest and Latest information Each and Every Month. Even if older strategies don't apply anymore than those will be removed from the course, so you will Always see this course Evolving, Changing, and Updating with what actually works the very best for your current situation!

Testimonial - " If You truly Crave Success for your app in the App Marketing, Promoting and Monetizing Phases. Then look NO Further, But Here! Marc is an Excellent Instructor that really cares about your Success. The Curriculum was spot on and extremely up to date on what to do and what not to do. The course worked extremely well for me with Very little money spent and a much Larger ROI than I was expecting! Very Well Done Marc. I will Always look forward to any of your other online courses for sure because this course was a Hidden Gem!!!!" - **Jewan Singh**

If you want a solid game plan on how to monetize your app or increase your Revenue Worldwide. Then this course will put a serious smile on your face. This course is always Updated throughout the Year with all the Latest Proven Expert Tips, Tricks and Insider Strategies that will also Help level the

playing field with your Competition and put More Money in Your Bank! This course covers All the Best App Business websites, Analytics, Promotions both free and paid and all the app tools one needs to help you in Promoting and Marketing your iOS or Android apps Successfully anywhere.

If you don't know, breaking or getting your app into China is still Super difficult if you don't know what you are doing. This course makes it very easy for you to get your app seen in China which has over 750 Million potential users and I point out which companies the experts use, and what you need to do to your app to make it a success in their culture, so you can easily break into China to push your downloads and revenue through the roof!!! Many of my students have informed me that they are seeing large incomes every month just from having their app appear in China!!! I'll even tell you what categories or genres are most popular in China and everything else you need to be super successful over there.

Testimonial - " Being an app developer I really had No clue on how to market my apps successfully online until I took your course Marc. In fact I failed Miserably before taking your Wonderful course and lost a lot of my budget Real Fast! It's easy to admit that now that I found Great Success with you and your course. This course was easy to Understand, Great and Professional HD Crystal Clear Video and Audio Lectures. I literally couldn't stop viewing them once I got started. Very Eye Opening Strategies and Tactics that I would Never Have thought of in a million years. I Love this course you created for one reason, It Really Works!!! Other courses I bought on this subject matter either suffered from either Lousy Audio or the instructor Suffered from an unenthusiastic tone with a lot of umms, but Not here. I Managed Over 500 Downloads Over Night with 1 Free Strategy Tip! Thanks Marc)" - **Jeff Lewis**

I discuss and show you 2 "Revolutionary" Free Traffic Generating Platforms that you can Instantly promote your app to millions of people online and it's Not Google, Reddit or Youtube! Truly Amazing stuff that can send your app marketing Super Viral in no time. You can get Hundreds and even Thousands of people at a time all for Free whenever you want throughout each day. This is not known to the masses yet, so just Imagine being at the Ground floor of Google, Twitter or Youtube. Just Imagine the Huge Free Traffic Sources that you can jump on and capitalize, along with my Expert Tips, Tricks and Strategies on how to Capitalize, Grow Faster and Monetize these New Traffic Sources.

Millions of people are on these networks right now and growing by the millions, but app marketers really don't know anything about using this to their Advantage or Leverage it correctly yet. This info right here is a Game Changer!!! Free Massive "Buzz" for your game is Key! If you stay with this course, you'll be the First to know about other Revolutionary Free Traffic Streams that are soon to be popping up in the near future that I'll be the very first to inform you about. I'm constantly adding Fresh, New Lectures every month for the entire year, so you are always kept up to date whenever news breaks that will make you more sales and downloads! The lectures are many, but they are short because I get right to the point! Many of my students appreciate that and I hope you do as well. Time is precious to us all and I didn't see the point of making large lectures to waste everybody's time.

Testimonial - "I can't say enough Good things to say about this course and the wonderful, Super Intelligent Instructor. There's No other course like this online that can compare in scope and depth that Marc goes into to make your App as Successful as it can possibly be because I've seen the Success with my own eyes. I've also witnessed even not so great game apps receive loads of downloads and reach high rankings because of this very course, so I'm a Firm Believer that Marc knows Exactly what it takes to make an App Successful Today with all the competition out there. This Outstanding, Super

Informative course keeps getting even Better and Better with time as Marc keeps on Top of All the Latest Expert Tips, Tricks and Strategies, so I can keep making more and more money down the road. 1000 Extra DOWNLOADS a day without spending hardly anything can't be bad! Thanks so much Marc!" - **Tim Kline**
